Subject: RE: US Steel Conference, Jan 5

Brian and IDEM Staff,

I have it on my calendar to participate in this conference by telephone. However, I just want to advise each of you that I do not know when I will be going on maternity leave but it could easily be around this time. So please send me a number to call in by phone but know that there is a chance I may not be at work to participate.

Thank you.

Sierra

 Subject: US Steel Conference, Jan 5

We have set January 5, 2010, 10:00 central, for our conference with US Steel. The meeting will be held in IDEM's Northwest office at 8380 Louisiana Street, Merrillville, IN, just southeast of the I 65 and Hwy 30 interchange. US Steel will be responding to US EPA's three outstanding notices of violation, one for Gary, Granite City, and Ecorse.

If you plan to attend by phone, please let me know so we can make arrangements.

Thanks, and see you then,
